

PACUARE RIVER CLASS III-IV RAPIDS

- Duration: 11 hours
- Availability: Year round
- Approximate Departure from Hotel: 6:30 a.m.
- Approximate time return to Hotel: 5:30 p.m.
- Recommended for older than 12 years.

The tour begins approximately at about 6:00 a.m. pick-up time in the hotels in San José with a pleasant trip in a bus passing through scenic landscapes and green fields up to the riverside where the expert professional guides will give necessary instructions for precision and safety rowing, and ends after three rafting hours, adequate time to be able to enjoy the river and the exuberant jungle landscape to then change clothes and enjoy a well-deserved lunch. The Pacuare River runs through the area of Turrialba in the Province of Cartago, in the midst of the rain forest and surprising landscapes traversing canyons covered by dense jungle and impressive waterfalls that fall directly to the river. The combination of thrilling and fast flowing rapids with idyllic landscapes make this to be one of the best rivers for river running in Costa Rica.
