We begin our journey departure from San Jose around 6:00am to the Pacific Ocean through the modern highway Route 27. A light breakfast is served in route.

9:00 a.m. boarded modern ship "Ocean King" a luxury catamaran with 250 seats designed for contemplation of white sandy beaches lapped by crystal clear sea of an intense turquoise habitat of innumerable variety of colorful fish and marine mammals such as humpback whales and dolphins.

For 4 hours fascinating adventure, nature and fun we will enjoy an incredible service aboard sailing on the warm clear waters of Pacific Ocean along the beautiful coast covered with dense vegetation between Quepos and Manuel Antonio National Park and its interesting rock formations and islands.

While the catamaran is ongoing established, the crew will be offering to each visitor all kinds of drinks and complimentary liquors (4), fruit, snacks and a delicious lunch at noon. We continue the exploration and search for multiple opportunities to catch sight of dolphins jumping and humpback whales on their journey to the warm tropical waters of the Costa Rican Pacific Ocean.

We will stop at an incredible scenario characterized by the purity of its calm, clear waters that allow for excellent visibility to jump into the water through the amazing water slides with snorkeling gear and explore the abundant and extraordinary life underwater.

12: 00 to 13:00 hrs. The fun continues on board. Where you can take pictures or enjoy the Jacuzzi, giant trampolines while the catamaran takes the path back to the Sailfish Marina. Arriving at the Marina Pez Vela, we disembark and continue by road to the beautiful beach of Manuel Antonio to harness the sunset from the large and majestic beach adjacent to Manuel Antonio National Park. At 17:00 hrs. Approx. we will travel back to the capital city of San Jose.
